Easily Made Christmas Novelties in Neckwear

NECKWEAR and muff sets were never more fashionable than they are just now, and they are among the easiest to make of home-made gifts. They confer both style and comfort upon their wearers to the joy of those who receive them.

Neckpieces are simply straight lengths of velvet, plush or fur cloth, cut a quarter of a yard wide and a yard or more in length. They are lined with satin and gathered in at the ends, where a tasseled ornament makes the finish. They fasten about the neck with a hook and eye or slide. Crocheted, passementerie or bead buckles and ornaments are used on them.

Muffs are barrel-shaped and made over beds of down or wool batting. These beds are bought ready made and are very cheap. Velvet coverings are usually gathered over them with ruffles at each end as shown in the picture. The muff and ruffles are lined with satin. Silk cords or strands of large black beads are fashionable this season for decorating these sets.

Inexpensive Gifts in Collars and Vestees

A COLLAR and vestee in sheer or gaudy, to wear with tailored suits will be welcomed by every woman and costs almost nothing but the time for making. The flaring collar is finished with hand-embroidered scallops or, or lace, which extends down each side. The collar and vestee must be cut separately and joined at the neck line. The collar is wired to make it stand and flare correctly.

A brilliant vestee, with collar and revers of filmy lace, is pictured made of broad velvet and shadow lace. The vestee is a band about the neck gradually widening to the waist line where it is trimmed into points. It fastens just above the points with hooks and eyes, and here three small, fancy buttons are set on for ornament. A short ruffle of lace forms a flaring collar which is supported with fine wires. The revers are made of straight pieces of lace draped in at each side and at the top in the neck line. Made of bright colored brocades this is one of the prettiest of novelties to be worn to embellish the blouse.

Holiday Ties and Bows in Ribbon

INEXPENSIVE and pretty neckwear is made of narrow colored velvet ribbon. Bows and ties like those shown in the picture are often finished with small flowers of ribbon or chiffon.
